

The cafeteria closure

Dear Sir/Madam,

as you probably already noticed, the cafeteria at the main building of the Faculty of Arts will be closed from July 1st to September 30th, 2014, due to reconstruction and tender for a new operator. The tender was officially published on July 1st.

*If you know someone who would be a good candidate for cafeteria operator, please send him/her/them the following link to the website with the tender documents. On the web page you will also find other details including the schedule:

Thank you for enduring the discomfort so that cafeteria can provide better services from October!

Have a nice summer!
