

NISE Annual Gathering 2016: Prestigious Event Organized in Cooperation with the Department of Czech History

The NISE Annual Gathering 2016 takes place at Charles University from 5 to 8 September 2016.

The Department of Czech History (from Monday 5 to Wednesday 7) and the Department of Political Studies (on Thursday 8) host the event this year. The gathering is co-organised by the University of Antwerp (UA) as part of the ICA project.

Besides the annual meetings of the NISE constituting bodies, the gathering hosts two workshops, a session on the NISE database DIANE with the launch of its own website, and a set of presentations by NISE members on new projects, research and archival instruments, publications, etc.

The workshop „Protagonists of National Movements“ is co-organised by the Centre de Recherche Bretonne et Celtique-CRBC.

The workshop on National Indifference forms part of Maarten Van Ginderachter's Nationalism from the Margins project (with NISE as one of the co-ordinators). Kindly note this is a closed workshop!

Contact person: Radka Sustrova (sustrova@mua.cas.cz)

Non-NISE members are welcome to attend (with registration) all public sessions: the DIANE session, the members' meeting (with the presentations), and the Protagonists workshop.

Please, register via this online form.
