

Professor Tomáš Halík at the University of Notre Dame

In October, Professor Tomáš Halík held two symposia at the University of Notre Dame (Indiana, USA) as part of his project „The Theological Hermeneutics of Contemporary Society“. These symposia („Where to Find the Signs of the Times?“ and „How to Interpret the Signs of the Times?“) have brought together scholars from numerous disciplines, including history, philosophy, sociology, and theology, to discern the signs of the times by addressing the questions of where to find them, how to interpret them, and how best to respond to them.
