

Welcome Day for International Degree Students 2020 – Online

We are pleased to invite **all international Bachelor's, Master's and Doctoral degree programmes students** beginning their studies at Charles University in the academic year 2020/2021 to our Welcome Day.

During this day you will have a chance to meet other international students, to find answers to your questions related to your studies at CU, to get acquainted with Charles University as a whole and learn a bit more about the Czech culture. **All new students are welcome!**

The whole programme is free of charge, but **registration is required**. Please read below.

Please note that this event is intended mainly for degree students and that the individual CU faculties also have their own Orientation days/weeks that you should not miss.

☐ Due to the current situation and protective measures, Welcome Day for International Degree Students is going to take place online. Please follow the news for up-to-date programme and any changes. ☐
