

The Neuron Expedition 2024 Grant Programme Is Accepting Applications by 20 April

The Neuron Foundation announces the 12th year of the successful Neuron Expedition programme, which supports field research and builds on the glorious era of the explorers Zikmund and Hanzelka. Czech scientists and researchers from all disciplines can receive up to 1 million CZK for their field research anywhere in the world.

Three finalists will be invited to present their proposals to the Expedition Board on 20 and 24 May 2024. The winner will be announced in the summer of 2024. The expedition must be completed by July 2025.

For more information, including the application form, please visit the Neuron Foundation website or the summary page with questions, answers, and grant rules.
