

BA Programmes

The application process for the academic year 2024/2025 (starting September 2024):

Kindly note that all BA programmes at the Faculty of Arts are currently taught only through the medium of Czech.

The BA (bachelor's) degree programme is focused either on the preparation for a future profession, or as a prerequisite for the two-year MA (master's) degree programme.

The standard length of a BA programme is 3 years; the maximum time allowed is 6 years. Graduates who meet all requirements defined in the study plan – a total of 180 credits, defence of a bachelor's thesis, and the state final exam – are awarded the academic title "Bachelor" (abbreviated to Bc. and used in front of the name).

General Admissions Procedure Requirements

Admission procedure specifications – BA and MA programmes.

Special Requirements

Special requirements of the admission procedure for BA programmes (Text is in Czech)

For study any Bachelor's programme at the Faculty of Arts, you must:
