Registration with Foreign Police

All **EU** or **EFTA** students are **legally obliged to register** with the Foreign Police within **30 days** of their arrival to the Czech Republic, if their intended stay will be longer than 30 days (§ 93, Law No. 326/1999). All citizens from third countries have to register within **3 days**. To register, a student must fill in the **Registration Card** form. The **Foreign Police** has responsibility for dealing with:

- your reporting of your place of residence in the Czech Republic within the given statutory period
- the verification of an invitation
- the issuing of short-term residence certificates or certificates certifying a legitimate right of residence in the Czech Republic (e. g. for marriage)
- extensions to stays in the Czech Republic should you hold a short-term visa
- checks on the legitimacy of stays in the Czech Republic

When registering with the Foreign Police, students must present completed form of the Registration Card, a travel document and evidence of health insurance (e.g. European Health Insurance Card). If you are housed in Charles University Hall of Residence and intend to stay there for the full time of your studies at CU, you don't have to report your presence to the Foreign Police unless you need a confirmation of your registration. The accommodation office of your Hall of Residence will register you.
