About CU FA Library

The Faculty of Arts Library at Charles University is a library network consisting of 23 libraries located in multiple buildings and the Centre of Scientific Information. The total collection comprises of more than 1.1 million printed books with an annual addition of more than 20 thousand books and almost 300 thousand e-books. CU FA Library has more than 11.5 thousand registered users whose one registration can be used in all Charles University libraries. The libraries are operated by 38 employees, mostly librarians with a university education or specialist in the field of the given departmental library, and by many helping students of the faculty whose work is based on so-called special purpose scholarships.
